

Dear Alex & Diana,

Thank you so much for performing at Global Shao 2008. In the end, people loved it - and it was all thank to awesome performances like yours!

I am sorry for the way something turned out. However, I complement you for still coming and giving us an awesome showing. It showed a great sense of graciousness.

I hope you have a great year ahead & all my best in your performances ahead.

With warm regards,
